Call to Action for Racial Equality (CARE) is a statewide racial justice leader, dismantling oppressive structures plaguing communities of color across West Virginia. CARE builds power that combats systemic racism in West Virginia through community organizing, youth leadership development, and policy change.

JOIN OUR TEAM

Our Youth Council leads youth organizing efforts across the state.

We are looking for adults who want to get involved with young people and help them facilitate their projects and initiatives.

Mission Statement

We are a group of young people committed to dismantling systems of racism and white supremacy by replacing them with systems of justice.

We are here to involve our peers and give them opportunities to raise awareness of the injustices in our community and society. Misuse and corruption of power will not stop us from moving forward.

We are innovators and change makers here to reshape the narrative. Through our efforts, West Virginia will rise.

Goals
